

WE WOULD LOVE TO HEAR FROM YOU!

- ❖ During the month of May the King County Consortium (King County and most of the cities outside Seattle) will be seeking public input about community needs at locations around the County (listed below).
- ❖ You can come by any time it is convenient for you on the days that the display will be in your area. View the display and use a short ballot to check off the things that you think are the top 5 needs for your community.
- ❖ The information that we collect will be used to help us update our plan for how we use federal funds (and some other state and local funds) for affordable housing and community development projects that benefit low-to moderate-income households.
- ❖ Bring the kids – there will be activities for them too!
- ❖ The ballot and display will have translations in Spanish, Russian and Chinese.
